

The image shows a modern office lounge. The ceiling is a key feature, with a grid of concrete beams and various colored acoustic panels in shades of pink, blue, yellow, and green. Track lighting is installed on the ceiling. The walls are covered in vertical wooden slats. In the foreground, there is a blue and yellow modular sofa, a small potted plant on a white stand, and a dark, patterned beanbag chair with a pink cushion. In the background, there is a service counter with a menu board and a coffee machine.
